

Settlement by the Saxons

WHO WERE THE ANGLO SAXONS AND WHY DID THEY SETTLE IN BRITAIN?

HISTORY

This half term, we will be looking at how and why the Anglo Saxons settled in Britain after the departure of the Romans. We will be studying the reasons for their arrival, the occupations that they held, their beliefs, and how they changed the face of Britain.

Science

In Science we will be studying various forms of plant life and where they are most commonly found. Building on our KS1 studies, we will investigate the factors that impact the growth rate of plants and how these can be altered.

RE

In our RE lessons, we will be considering how Christians, as well as followers of other world religions, show care to those around them. The themes of respect and kindness will be seen in our work on how we treat all members of our community.

PE

In fitness, pupils will develop their understanding of the benefits of exercise and a healthy lifestyle on their physical body, their mood and their overall health. In cricket, we will be honing the accuracy of our throwing skills, as well as our understanding of different batting shots.

ART AND COMPUTING

Children will explore the world of sculpture, through the work of various artists, focusing on shape and form. In Computing, we will begin to use databases as a means of collecting, storing and retrieving data.

PSHE

Year 3 will begin to consider priorities when spending money and choices we might make when thinking about ethical spending. Year 4 will be challenging inequalities to make for a fairer world.
