

Remote Learning

Suggested Activities - Thursday 2nd May 2024

	<i>Where will I find the resources?</i>
<i>Sentence Writing</i>	<p>In the classroom, we have been practising writing a short caption or sentence As part of our topics this term, we have looking at life cycles and have been thinking about the life cycle of a frog and a caterpillar. Could you draw some pictures of these animals, or draw their life cycle and write a label, short caption or sentence to explain your pictures. We would love to see your work on SeeSaw.</p>
<i>Reading</i>	<p>We love reading in reception and often have a book vote at the end of the day to choose our favourite book. Could you choose your favourite book at home and ask an adult to read it to you, or maybe you know some of your books by heart and could read them to an adult or one of your toys. Don't forget to also read your e-book on Big Cat Collins</p>
<i>Phonics</i>	<p>Practise reading the words from the phonics homework sheet. Ask your child to spell some of the words perhaps (ask them to count the phonemes aloud to help) or they could write one of the sentences from the sheet (read the sentence to your child and count the words together). We have been encouraging children to put spaces between each of the words and use a capital letter at the beginning and a full stop at the end so this is something they will be able to do with encouragement. Again, we would love to see some of your wonderful work on Seesaw.</p>
<i>Maths</i>	<p>https://kids.classroomsecrets.co.uk/resource/reception-one-less-than-game/ Encourage your child to subitise the objects where possible.</p> <p>https://kids.classroomsecrets.co.uk/resource/reception-one-less-than-game/ Select "Count on and Back" and an appropriate number range. This game uses lots of different language associated with addition and subtraction</p>
<i>Keeping Active</i>	<p>Remember you can put on some music and carry out some exercises each day. It will help you feel better and keep your brain and body active. Here are some useful websites: Cosmic Kids Yoga https://www.jumpstartjonny.co.uk</p>
